JERIEL JAIR RIVERA
SOFTWARE ENGINEER

COVER LETTER

I am a Software Engineer with almost 2 years of experience, passionate about crafting intuitive software products and seamless UI/UX experiences. I've collaborated with teams and clients across the Philippines and the United States to deliver scalable, user-focused solutions.

SUMMARIZED WORK EXPERIENCE:

- May 2025 and Current Creating Business Website at Wags Window Film (Illinois, United States)
- 2025 and Current - Website Developer at M.E Solutions (Mississippi, United States)
- 2024 and Current - Website Developer for Nourish Hope Foundation (Mississippi, United States)

For other information:

- Email at jairrivera972@gmail.com
- Mobile number (+63) 9399551036
- Residing at Mabalacat City, Pampanga, remote setup only.
- Possesses own work setup.
- Converge - internet speed 170 Mbps.

I hope that I can be of assistance on building smarter and powerful solutions to your projects, and I would like you to know that I am eager to explore any opportunities that will help me develop my skills as a software engineer.

Warm Regards,
Jair
